Mohawk Industries is so confident in the design and durability of our Mohawk® flooring products and accessories, that we back them with a 10 Year Warranty (i). Important Tips

Use any non-abrasive, soap free cleaner suitable for laminate flooring on a regular basis, NEVER USE: Abrasive pads and cleaners including nylon scouring pads, steel wool, Comet™, Soft Scrub™, etc., Which may damage the finish.

- Footprints and dirt easily wipe away with a moist cloth. Just wring cloth well before use.
- It is recommended to remove any wet spills immediately to avoid liquid penetration into the joints
- Use felt protectors or approved nylon pads under furniture and replace all hard plastic or metal rollers on furniture with soft rubber rollers.
- Use caution when moving large appliances such as refrigerators, ranges, etc.
- Use protective mats at exterior entrances and in heavy traffic areas.
- Don't use "mop and shine" products. They will leave a dull film. Never wax or polish your floor.

Maintenance

Mohawk Laminate Flooring is extremely hygienic and the easy care makes the floor virtually maintenance free compared to other flooring. Routine cleaning only requires vacuuming, dust mopping or damp mopping. The use of flooring cleaner on a regular basis is all you will need to keep your floor beautiful for years to come. General Terms and Conditions for Laminate Warranties

Mohawk® flooring and accessories carry the specific warranties listed above. In addition to the requirements specified for each of those particular warranties, the following general terms and conditions also apply. If you have questions regarding the warranty information, please contact the manufacturer, retailer or our website www.mohawkflooring.com.

1. This warranty applies only to the first owner and the first installation of the product and may not be transferred. The “first owner” is the person stated as the buyer on the purchase document(s). This warranty applies only to first quality Mohawk® brand product purchases made after the edition date of these warranty conditions for the designated time period when the product is installed in a private residence.
2. This product warranty only applies to defects inherent to the material supplied. This means any material or production defects, acknowledged by the manufacturer . It includes the delamination or reduced resistance of the wear layer, but does not include, in beveled-edge products, wear along the edge or the panels less that 3/16” (5mm) from the edge. Mohawk Flooring will repair or replace the product, at its option. When replacement of the flooring is made, only new panels from the current product range at the time the complaint is upheld will be supplied by the distributor or retailer. There will be no other form of compensation. Responsibility under this warranty only applies to hidden defects. These are defects that were not visible before or during the installation of the laminate floor. If the product was originally professionally installed. Mohawk Flooring will cover reasonable labor costs. Mohawk Flooring can never be held liable and is not responsible for any secondary damage.
3. The lifetime locking warranty on the Uniclic® joint only applies to open joints greater then 0.01 inches ((0.2mm).
4. This warranty applies only to first quality Mohawk® brand products installed according to the manufacture’s recommended installation instructions in indoor residential spaces. We recommend using the approved Mohawk® Uniclic® accessories as they have been specially designed and tested for use with Mohawk® flooring panels. The use of accessories other than Mohawk® accessories might cause damage to the Mohawk® floor. In such cases, the warranty provide by Mohawk® will be void. Proof of compliance with the installation and maintenance instructions recommended by the manufacturer must be provided is a claim is filed. These instructions are located inside 1 out of every 3 flooring cartons or in each individual accessory package. If the instructions are not there, they should be requested from the manufacturer, distributor or retailer. The instruction may also be viewed at www.mohawkflooring.com . If installation is not performed by the end user, at least one copy of the installation and maintenance instructions and this residential warranty must be provided to the end user by the installer.
5. This warranty does not apply to laminate flooring that has been put to abnormal use or conditions or abused in any way. “Abnormal use or conditions” includes, but not limited to, water damage from plumbing, storm or flood, damage from smoke, fire or other casualty events; damage caused

by negligence, improper alterations of the original manufactured product. "Abuse" is any use of the flooring that is unreasonable considering the normal and expected uses of a laminate floor in a residential environment. The damage to the product must be evident, measuring, per product unit (panel, accessory, etc.) at least 1.40 square centimeter or 0.5 square inch, and must not be the result of abuse, abnormal conditions or accidents, such as but not limited to, damage of mechanical nature, severe impact or scratches (caused by dragging objects or furniture) or cutting. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas or furniture with castors must be fitted with soft rubber wheels, an adequate protective mat or protective castor cups must be put under this furniture.

6. A suitable mat or sufficiently large transition area at the entrance door(s) must be used to prevent sand and/or dust from damaging the flooring.
7. This warranty does not apply to damage from exposure to extreme heat, dryness, water saturation or stains as a result of chemical or industrial products (other than recommended cleaning products.) The floor may not be installed in damp and/or humid areas, in extremely dry areas, or areas where there is extremely high temperature (such as saunas or swimming pool areas).
8. This warranty excludes damage caused by water, including but not limited to natural disasters (i.e. floods), naturally occurring conditions/accidents (i.e. appliances and plumbing failures), urine or standing water (water that remains on the floor longer than 30 minutes).
9. This warranty excludes damage caused by water or moisture trapped beneath the floor due to improper subfloor or underlayment including but not limited to damage from hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions that result in water or moisture being below the surface
10. This warranty excludes damage caused by moisture left on the floor (or on or around the skirting boards, wall base or profiles), cleaning that is too wet and/or the use of inappropriate cleaning products. Prolonged water exposure could damage your laminate flooring.
11. Flooring panels or accessories must be checked carefully for material defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The distributor or retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further complaints will be accepted. Color and gloss issues resulting from material added to an existing installation at a later date and non-warranty repairs are excluded from coverage.
12. Under no circumstances will Mohawk Flooring be responsible for any loss of time, inconveniences, expenses, costs or other consequential damages caused by or resulting directly or indirectly from a problem about which a claim was made.
13. Mohawk flooring OFFERS NO OTHER WARRANTY, EXPRESS OR IMPLIED, THAN THE ONE DESCRIBED HEREIN, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR SUITABILITY OF THE PRODUCT FOR A PARTICULAR PURPOSE, AND NO OTHER REMEDIES SHALL BE AVAILABLE EXCEPT FOR THOSE PROVIDED HEREIN. Some states or countries do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
14. The general warranty and Uniclic® warranty periods are both pro rata, (10 years from flooring and accessories and 33 years for Uniclic® joint integrity). A pro rata warranty is one that provides for a refund or credit that decreases according to a set formula as the warranty period progresses. The Mohawk original warranty value is reduced by the amount of time that you own it. When a claim is made, the value of the warranty becomes a percentage of ownership per year based upon a 10 year for the general warranty for flooring and accessories and/or 33 years on the integrity of the Uniclic® joint. Any services provided as part of this warranty do not extend the original

warranty period. If the product for which a claim is made is no longer available, the customer will be able to choose a Mohawk® product of equal value from the current product range.

15. If there is a conflict between these general terms and conditions and the terms and conditions of the warranties as specified, the terms and conditions of the warranty as specified shall control.
